**GENTLE REMINDER – 5 MPH**

It's a full campground this weekend and we have lots of little children playing and riding bikes throughout the grounds. Please be very respectful of the 5 mph speed limit. (Golf carts too!) It's unfortunate we've had to resort to SPEED BUMPS....It's a reminder to go SLOW! It's a life safety issue and we thank you for your cooperation. PLEASE..... Drive as though they were your children playing!

Also, it's a Maine State Law that **children under the age of 16 wear bicycle helmets**. Please make sure your children wear helmets while riding their bikes throughout the facility. Several recent accidents and near misses at the bottom of the hill are reminding us to remind you....to use extreme caution. Thanks.

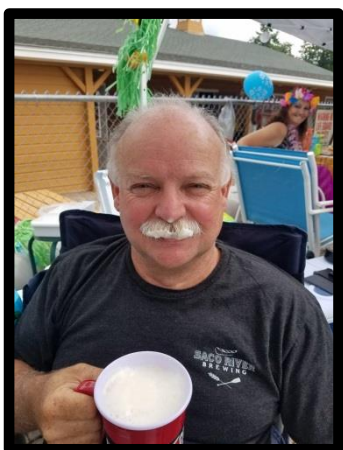

**DOG OWNERS**

FYI: We do not tolerate pet owners that don't pick up after their dogs. We have 12 Doggy Stations throughout the park. Use them or bring your own bags and dispose of it properly. Also, it is NOT OK to leave dog poop in the woods behind your site or on walking trails. It's a health and odor issue. You MUST ALWAYS PICK UP after your dog. It's not an option... it's an obligation! It's your choice to have a dog and therefore your responsibility. If or when you are caught, you will be asked to leave. There are NO EXCEPTIONS to this rule. It's a health and safety issue. Thank you.

**COMING UP NEXT WEEK...“THANKSGIVING WEEKEND!”**

It's time for that end of season buffet of scrumptious food...but also time to give thanks for all our blessings as we wind down our camping season.
